Campers cannot come just for Field Trips

Randolph Central will be providing the lunch program. On the dates it operates, we will go to the school for lunch. On other days, Campers will need a sack lunch.

Your Campers Necessities

Campers need a backpack, water bottle, and sunscreen. They should wear tennis shoes. **NO FLIP-FLOPS.** On swim days they need a swimsuit (one-piece suit/tankini for girls), towel, and any other swimming gear. On Field Trip Day's please have your camper wear the YMCA T-shirt. **Please, DO NOT bring TOYS, TRADING CARDS, or ELECTRONICS.**

Swimming Lessons

You must register separately for swim lessons.

If you are interested in lessons, sign up for the 1st session during the 9:30-10:05 time slot. That is the **only time a staff person** will walk your child to lessons. During that session, campers will receive lessons at the member rate of \$35. Space is limited.

Our Rules

Our core values are Caring, Honesty, Respect, and Responsibility. We use these values as our basic rules. We encourage campers to be caring and honest; to respect themselves, others, and their surroundings; and to be responsible for their own actions. Values like these will help your child make good choices no matter what adventure and challenges lie ahead. **Y Camp is a program, not childcare. Campers unable to follow the rules of respect could lose the privilege of attending camp.**

Our Mission

The mission of the Randolph County YMCA is to put Christian principles into practice through programs that build healthy spirit, mind, and body for all. We have a daily object lesson (that kids bring in) where we teach Christian principles.

Our Hours:

Camp hours are 7:30 – 5:30, Monday – Friday. Drop off and pick up anytime during those hours, except Tuesday's. We use the Brightwheel App for check-in and check-out. Only those on the registration form can check your camper out. Camp dates are May 28-Aug. 2, 2024.

Our Program

Every age in a child's life is a step up to greater challenges and a new world of experiences. Y Summer Camp helps nurture skills and experiences kids enjoy at their own level. Camp is for kids going into the 1st-8th grades.

Although all the kids are together at camp, activities are implemented according to age groups when appropriate and necessary.

Our Skilled Leaders

The YMCA selects camp staff for their maturity and experience. Staff creates the nurturing environment your child needs to feel secure and confident. Every camp staff member attends pre-camp training and continues to strengthen his or her abilities throughout the summer. Staff are responsible for transporting campers when inclement weather occurs. All precautions are taken for the safety of each camper.

Our “Bad Weather” Procedures

We will remain at the shelter if it is only raining for a short period. In the case of severe weather or steady rain we will transport campers to the Y. We have also arranged with Winchester High School for emergency situations. If the weather is too severe for campers to be dropped off at Goodrich Park in the morning, we will meet at the Y. You will be notified by 7am through the Brightwheel app.

Our Daily Schedule

Monday, Wednesday, and Friday drop your camper off at **Goodrich Park**, Shelter #1. We will spend the morning doing activities at the park and then spend the afternoon swimming at **Goodrich Pool**. Pick your camper up at the pool. An afternoon snack is provided for your child.

Tuesday is field trip day. We will leave from **Goodrich Park** at announced times and return to **Goodrich Park** by 5:00 p.m.

Thursday is **YMCA Day**. You will drop your camper off and pick them up at the YMCA where they will do science activities, art projects, and gym games.
