

Kid's Club information

Where: The Y Kid's Club after-school program meets in the Baker Elementary School Cafeteria. Willard students will be bused to the program and arrive at the school at approx. 3:30 pm, on Wednesday's they arrive around 2:30.

When: We meet Monday-Friday from 2:55-5:30. We do not meet on days that school is not in session and on days that school is closed due to inclement weather or other reasons.

What: The Y Kid's Club after-school program begins with a snack and homework time. After homework time the kids may participate in a planned art activity, gym time, outdoor play or free play time in the cafeteria. On early dismissal Wednesday's, we do allow the kids to get out their Chrome Books and play video games for approximately 30-40 minutes. We do ask that students do not bring any items from home to use during Kid's Club.

How: Each child in the Y Kid's Club after-school program needs to be registered by filling out the attached registration form. There is a non-refundable \$30 registration fee for each child enrolled. The weekly fee is \$55 per child and is required whether they attend each day or not as that reserves their spot from week to week.
