Our Rules

Since 1844, the YMCA has had a tradition of developing character. Our core values are Caring, Honesty, Respect, and Responsibility. In our Summer Day Camp Program, we use these values as our basic rules. We encourage campers to be caring and honest; to respect themselves, others and their surroundings; and to be responsible for their own actions. Values like these will help your child make good choices no matter what adventure and challenges lie ahead.

Our Mission

The mission of the Randolph County YMCA is to put Christian principles into practice through programs that build healthy spirit, mind and body for all. We are able to create a safe place for youth to learn, grow, experience their own strengths and weaknesses, and to explore issues of values, faith, and beliefs.

Our Hours:

Drop off & Pick up

Camp hours are from 7:30 a.m. - 5:30 p.m. Monday – Friday. You will sign your camper in and out each day, and only those on your registration form will be able to sign your camper out.

Our Program

Every age in a child's life is a step up into greater challenges and a new world of experiences. Y Day Camp helps nurture skills and experiences kids enjoy at their own level. The Y Day Camp is for kids going into the 1st-8th grades.

Although all the kids are together at camp, activities are implemented according to age group when appropriate and necessary.

Our Skilled Leaders

The YMCA selects camp staff for their maturity and experience. Staff creates the nurturing environment your child needs to feel secure and confident. Every camp staff member

attends pre-camp training and continues to strengthen his or her abilities throughout the summer. Staff are responsible for transporting campers back to the Y when inclement weather occurs. All precautions are taken for the safety of each camper.

Our "Bad Weather" Procedures

We will remain at the shelter if it is only raining for a short period. In the case of severe weather or for steady rain we will transport campers to the YMCA and remain there. We also have arranged with Winchester High School for emergency situations. If you have any questions about the location of your child on days of stormy weather, please call the YMCA at 584-9622 as they will always be informed of our location. If the weather is too severe for campers to be dropped off at Goodrich Park in the morning, drop off will be at the YMCA. We will contact parents via text.

Our Daily Schedule

Monday, Wednesday, and Friday drop your camper off at the **Goodrich Park** at Shelter #1. We will spend the morning doing activities at the park then spend the afternoon swimming at the **Goodrich Pool**. Pick your camper up at the pool. An afternoon snack is provided for your child.

Tuesday is field trip day. We will leave from the **Goodrich Park** and return to the **Goodrich Park** by 5:00 p.m.

Thursday is **YMCA Day**. You will drop your camper off and pick them up at the YMCA where they will do science activities, art projects, and gym games.

Swimming Lessons

If you are interested in swim lessons we will take your child to swim lessons during the 1st session, from 9:30–10:15 a.m. All Campers can take lessons at the member rate of \$34.

Campers not interested in swim lessons will remain at the shelter to do the daily activities. **You must register separately for swim lessons.**
