COMMONLY ASKED QUESTIONS:

Who is eligible for YMCA Financial Assistance?

An active older adult on a fixed income, a single parent who is trying to make ends meet, a family in transition, someone who needs a little help for a while- all of these are the faces of the YMCA Scholarship program.

How is the Financial Assistance amount determined?

The amount of assistance is based on the annual gross income and the number of dependents. We offer a sliding fee scale after completion of a confidential application.

Is it possible to join the YMCA for free?

The YMCA believes a strong sense of ownership and pride is developed if the assistance recipient has contributed to the cost of their YMCA involvement. Therefore, applicants will be asked to pay portion of the fee based on the sliding fee scale.

Will I be treated differently? Will other members know that I am on financial assistance?

Only you, the Executive Director and the Front Desk Supervisor will have access to your application. We track assistance data, but only in terms of numbers and statistics, not by names.

Can I do anything in return for this assistance?

Yes you can! The YMCA is a volunteer based organization. Youth and adults are encouraged to help earn assistance by volunteering. Talk to the Front Desk Supervisor about the various volunteer opportunities.

Is assistance available for all programs offered at the Y?

Assistance is available for memberships and general programs. Assistance is not available for Y Childcare programs. For childcare assistance contact the local childcare voucher agent.
